DBLIFT-0127

TV Lift

TV Lift

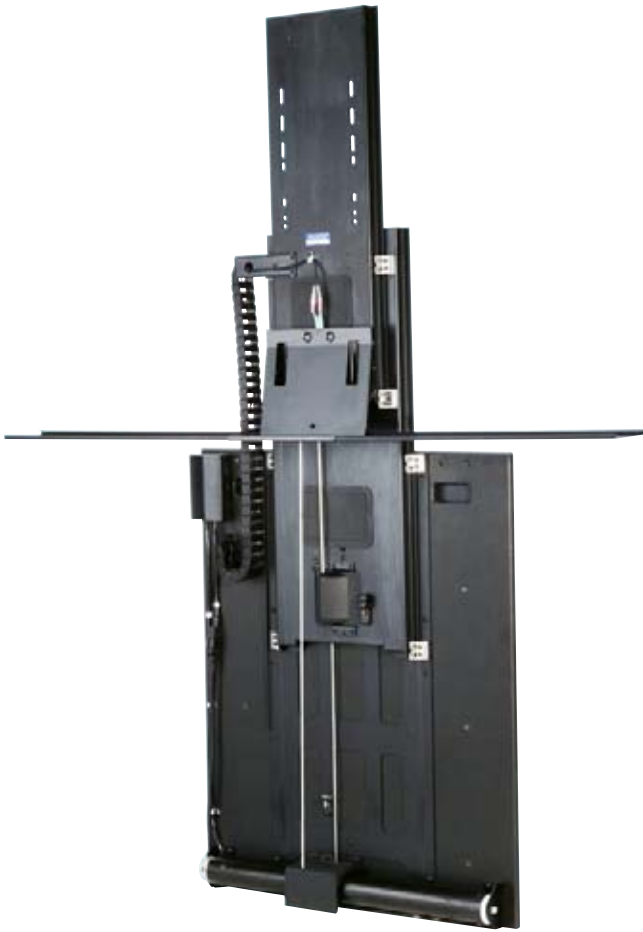

DBLIFT-0127

Accuride's TV Lift allows a flat screen to be stored in a cabinet when not in use. Press the remote control and the TV will lift into view within 15 seconds.

## DBLIFT-0127

The lift comes mounted on a backboard and with fixing hardware, making installation into your own furniture quick and easy.

### Optional kits:

Replacement remote controls – order number 41800654  
Fixed lid bracket kit – order number 41800650
